

**1993 FAMILY RESERVE CABERNET SAUVIGNON  
OAKVILLE ESTATE, NAPA VALLEY**

**90 Points**

**Wine Advocate  
Robert M. Parker, Jr.**

“The Venge Family Reserve Cabernet Sauvignons are splendidly rich, dense, full-bodied, super-intense wines that possess two decades of aging potential. They are aged 2 1/2 years in small oak casks. The production is tiny ... 120 cases of the 1993, and 250 cases of the 1994.

The 1993 Cabernet Sauvignon Venge Family Reserve exhibits an opaque purple color, a promising, expressive, toasty, smoky, black fruit-scented nose, full body, as well as exceptional concentration and length. The wine possesses plenty of tannin buried beneath its impressive quantities of glycerin and rich fruit. Give it 2-3 years of cellaring and drink it over the following two decades.”
