“The 2007 Cabernet Sauvignon Family Reserve may well turn out to be one of the greatest he has ever made. Opulent, voluptuous, with blueberry and black currant liqueur intermixed with violets, lavender, chocolate, Family Reserve Cabernet Sauvignon that Venge has produced in the last 10 years. It is flawlessly made, with no hard edges, and everything seamlessly integrated, resulting in a powerful, rich, concentrated wine with no hard edges. I suspect this wine will actually be more approachable at an earlier age than the 2006 will be, but it will still age effortlessly for 25-30+ years. Bravo!”
